About Basile Fémelat

Basile is a banking and finance partner of AKD, based in Luxembourg. His practice covers mainly secured lendings, structured finance, debt capital market and financial regulatory work. Amongst others, he has developed an in-depth knowledge and experience of securitization and alternative investments financing. He also has solid experience in private equity structuring and investment funds financing.

Basile advises a broad range of international and local clients composed of multinational financial groups, high wealth individuals and private equity houses.

Basile is recognised as an efficient Luxembourg finance lawyer in the main legal rankings with a strong client focus and has a track records of assisting numerous top tier clients.

He is a current member of the Luxembourg bar and a former member of the Paris bar. Basile speaks French, English and German.
