David Molenaar is a lawyer at AKD. He specialises in (international) corporate law mergers and acquisitions in the broadest sense. He advises and represents clients in, for example, shareholder agreements, joint ventures and other cooperation agreements.

His clients include (strategic) investors, private equity parties and financial institutions. His clients appreciate his efficiency and the way in which he brings matters back to the core without losing an eye for detail.

David won the Best Young Talent Award 2018 at the 13th edition of the Gouden Zandloper Awards.
