About Laura Vissers

Laura Vissers is a tax adviser at AKD. She studied corporate law at Tilburg University and tax law at Radboud University of Nijmegen. In 2019, as part of the research for her thesis, Laura explored the possibility of a profit or loss carry-over scheme as a CIT alternative for the current fiscal unity regime. The following year, she was awarded the prestigious NOB/LOF prize for the best Dutch thesis on tax law.
