

## About Marlou Jannink

Specialising in private law and health law, Marlou Jannink advises and represents clients active in the healthcare industry. Her services include providing assistance with the sourcing of healthcare, material audits and a wide range of contractual issues. Marlou is no stranger to the courtroom either. Her strong analytical skills and result-driven approach are highly appreciated by her clients.

As a legal author, Marlou regularly writes articles for scientific journals, such as WPNR, the *Tijdschrift voor Gezondheidsrecht* and *Gezondheidszorg Jurisprudentie*. She also publishes a blog in which she regularly tackles topical healthcare related issues.
