

### About Mickey Engel

Mickey Engel is an attorney-at-law at AKD who advises on corporate law in a general sense and on mergers and acquisitions in particular. This means share and asset transactions, investments, restructurings, due diligence operations and shareholder agreements.

Mickey assists Dutch and international companies during various transactions, including strategic acquisitions, private equity deals and venture capital investments. She draws up documentation such as loan and management agreements for a wide-ranging group of buyers and sellers.
