About Peggy Muck

Before joining AKD, Peggy worked for 3 years with a major French bank as manager in retail banking, advising professional clients among others on financing transactions, managing people and supervising risks.

Peggy also worked for almost 9 years in the investment fund industry with a major Canadian corporate bank in Luxembourg, working on corporate actions of the clients, performing due diligence analysis, negotiating a wide range of services agreements in the investment fund industry, as well as implementing legal and regulatory developments.

Before joining AKD, she worked for a well-established and independent Luxembourg law firm in Luxembourg in the Banking and Finance department advising multinational clients, including banks, insurance and PFS, on financing transactions, securitisations, collateral arrangements, and financial & regulatory matters, including liaising with the Luxembourg financial regulator (CSSF).

Peggy joined AKD in September 2019 as Avocat au Barreau de Luxembourg, as a member of the banking & finance's team.

While she has developed over the years' experience a specific interest for regulatory matters, she also have gained in parallel experience on financing and other type of transactional work.
