About Sabrina van Luijk-Weterings

Sabrina van Luijk-Weterings is a tax compliance specialist at AKD who specialises in fiscal economics and uses that knowledge to draw up corporation tax and income tax returns. She also advises clients about these returns and maintains contact with the Tax and Customs Administration on their behalf.

Sabrina's clients are active in, among others, the banking sector, the oil, gas and chemicals sector, the tobacco industry and the real estate sector. However, she also advises directors and major shareholders with their own companies.
