About Yorben van Steveninck

Yorben van Steveninck is a lawyer at AKD. He advises on financial regulatory law, financing transactions and corporate restructurings.

As such, Yorben advises national and international clients – such as banks, investment firms, fund managers and payment service providers – within the field of financial regulatory law (and anti-money laundering legislation).

Additionally, Yorben advises on the legal, commercial and financial aspects of (cross-border) financing transactions (syndicated and club credit facilities, LMA documentation). He also has experience with acquisition finance and corporate restructurings.
